

Native Loyalty App

Current App flow and Asset Requirements

Asset Requirements

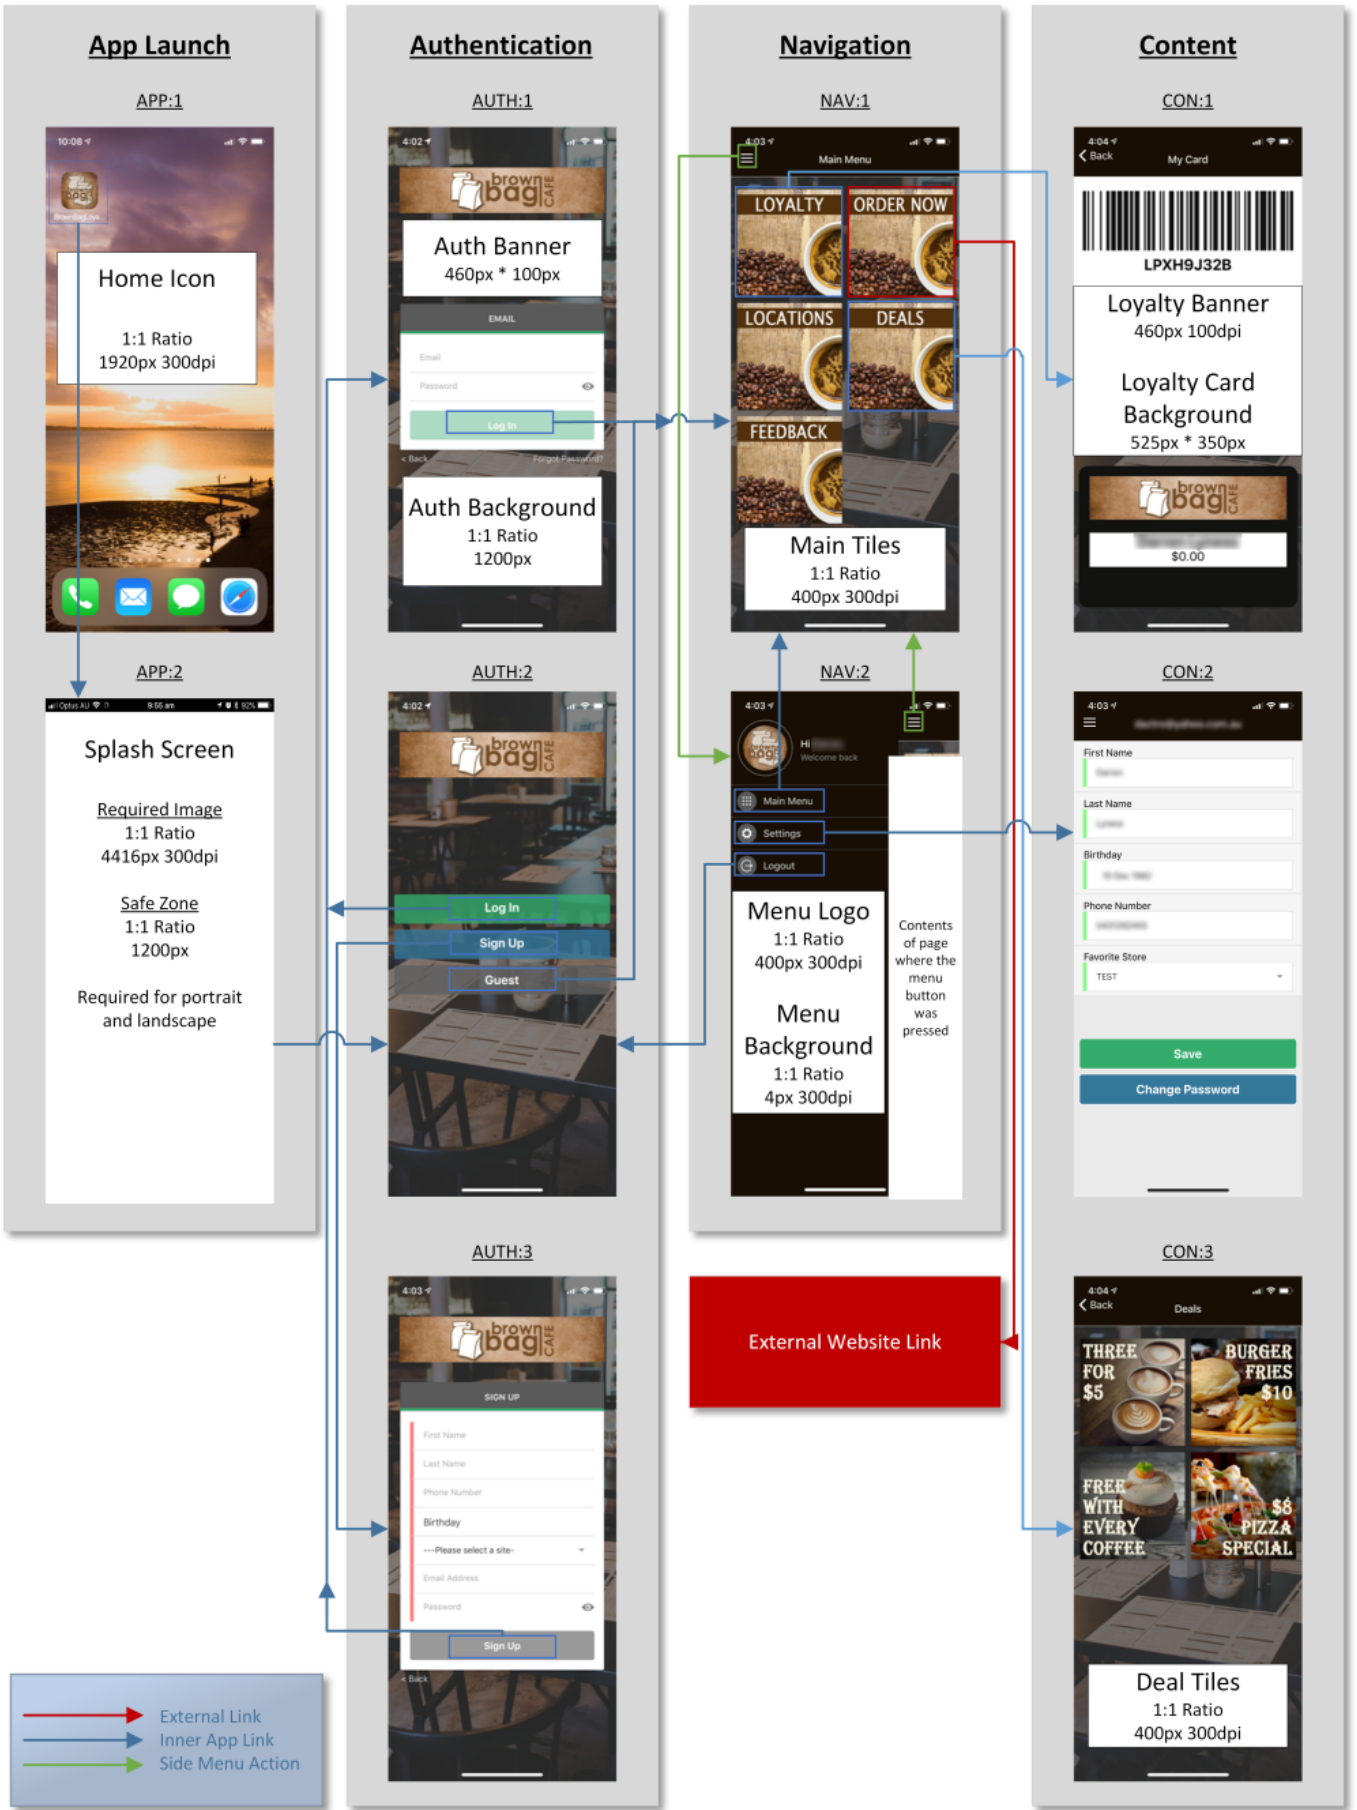

- icon.png (1920px x 1920px x 300dpi)
- splash.png (4416px x 4416px x 300dpi)
- auth_banner.png (460px x 100px x 300dpi)
- auth_background.png (1200px x 1200px x 300dpi)
- app_background.png (1200px x 1200px x 300dpi)
- app_menu_logo.png (400px x 400px x 300dpi)
- app_menu_background.png (4px x 4px x 300dpi)
- app_main_tile.jpg (400px x 400px x 96dpi)
- app_deals_tile.jpg (400px x 400px x 96dpi)
- app_loyalty_banner.png (460px x 100px x 300dpi)
- app_loyalty_card_background.png (525px x 350px x 300dpi)

Important: JPEG files are dynamically loaded from our AWS cloud server each time the app opens, so keeping these files below 50k each is strongly recommended.

For example assets please download the Assets Pack. [iloyalty_assets.zip](#)
