5. Follow the steps from the following Stripe page

## Imagatec Pty Ltd partners with Stripe for secure payments.

[← Return to Imagatec Pty Ltd](#)

## Get started with Stripe

If you're completing this form on behalf of a business, it must be completed by the business owner or someone with significant management responsibility of that business.

### Email address

Have a Stripe account? You can use the same email address.

Submit →

## Steps to Create A Site Restricted Stripe Connect Account

1. Log in to the warehouse and set the site drop-down to the specific site you are setting up

The screenshot shows the Imagatec system interface. At the top, a dropdown menu is set to 'TEST'. Below this, the left navigation menu is visible, with 'Integrations' highlighted. The main content area displays a list of modules under the 'Sales' header, including Wash POS, Pocket POS, iWash, iValet, Display Boards, Kiosk (Pocket), Reconciliations, and Cars. The right side of the interface shows a list of reports and journals, including Daily Summary, Sales Reports, Time Reports, Car Time Reports, Sales Comparison, Daily Productivity, Daily KPI, Weekly KPI, Calendar Sales, Service Summary, Product Ranking, Product Companion, Staff Summary, Staff x Product Summary, Sales Commissions, Departure Summary, Waste Analysis, Product Listing, Order Type Summary, Order Source Summary, Payment Summary, Order Journal, Canceled Journal, Void Journal, Production Journal, Product Journal, Rewards Journal, Campaign Journal, Payment Journal, Unpaid Journal, NoSale Journal, Integrity Journal, Retention Report, Retention Journal, New Car Retention Report, New Car Retention Journal, Product Retention Report, Product Retention Journal, Product Analysis, and InActivity Journal.

2. Select the Integrations option from the left menu

**REPORTS UPGRADE**  
 Reports are being upgraded to include the Parameters on the Reports in a new modern format.
