Stripe Refunds Via Dashboard

To refund a payment using the Stripe Dashboard

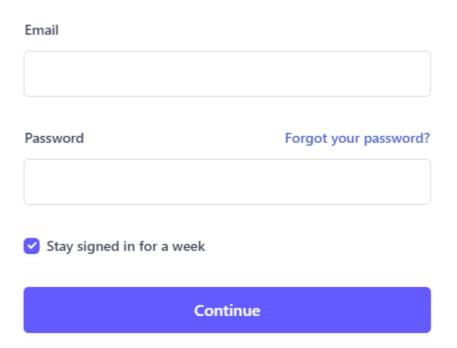

1. Log in to your Stripe Dashboard:

https://dashboard.stripe.com/login

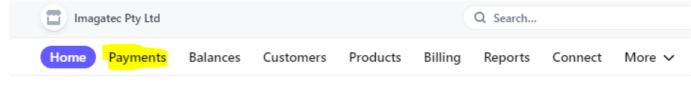

Proceed through the security authentication checks as needed

Sign in to your account

2. Go to Payments

Today

3. Find the payment you want to refund in the Payments page.

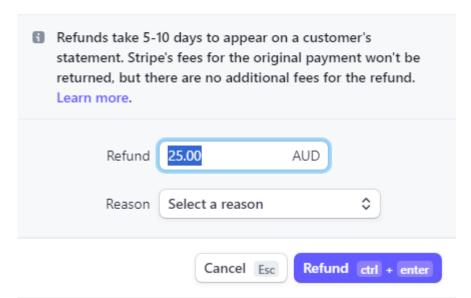

4. Click the overflow menu (***) to the right of the payment, then select Refund payment.

 $upaate: \\ 2025/07/14 \ customer_portal: integration: stripe: stripere fund \ https://wiki.imagatec.com.au/doku.php?id=customer_portal: integration: stripere fund \ https://wiki.php.customer_portal: integration: stripere fund \ https://wiki.php.customer_portal: integration: stripere fund \ https://wiki.php.customer_portal: integration: stripere fund \ https://wiki.php.customer_por$

5. By default, you'll issue a full refund. For a partial refund, enter a different refund amount.

Refund payment

6. Select a reason for the refund. If you select Other, you must add a note that explains the reason for the refund. Click Refund.
