PayStation

Introduction

iOrder Online Ordering supports online payment processing via the PayStation service. PayStation is an external service available to PayStation customers.

If you are a PayStation customer and would like iOrder Online Ordering to process online payments via your PayStation service, please refer to the information detailed below.

What is PayStation?

Paystation is an online payment gateway committed to making payments easy, understandable, and accessible for anyone wanting to take payments online.

Paystation have a great history of making payments work for New Zealand business. They've created products for the likes of Fairfax New Zealand, Westpac New Zealand, and Powershop. They also process payments for some of New Zealand and the world's best known brands such as Burger Fuel, Trade Me, and Fishpond.

iOrder Requirements

For iOrder Online Ordering to be able to process online payments by your customers, your PayStation account, the following information will need to be emailed through to Imagatec Helpdesk Support at help@imagatec.com.au
