

iWASH - PocketKiosk

If configuring a new kiosk, it is recommended that you set up the Pocket Kiosk in the following steps (refer to the links below):

1. Configure the PocketKiosk Settings (By Default, everything is turned on)
2. Configure the PocketKiosk Categories
3. Configure the PocketKiosk Menus
4. Configure the Product Upsell Options
5. If subscriptions are being sold via the PocketKiosk, [Configure Stripe Subscriptions](#)
6. If online payment methods are allowed and you are not selling subscriptions via PocketKiosk, set up the stripe gateway

Once Configured, Click Sales and select your site from the dropdown to access your PocketKiosk

- 1.
2. Kiosk Login enables you to load the PocketKiosk in your browser
3. Kiosk QR Code provides you with the URL and an image of the QR code that you can print or attach to your own image
